## First Books

CYNDY HAIR begins first grade Monday along with numerous other six and seven-year-old Canyon youngsters. Cyndy is shown here inspecting some of the books she will be using as a first grade student at "big school". She is the daughter of Mr. and Mrs. Carl E. Hair of Canyon. School registration will be held today and Friday with classes slated to begin on Monday.

### Author Studies Possible

# Film In Palo Duro

Palo Duro Canyon is being studied as the possible site for a motion picture dealing with the history of Texas.

Dr. J. A. Carroll, professor of history at the University of Arizona at Tucson, was here Tuesday looking over the Palo Duro as a possible filming site.

With him was Travis Johnson, who Dr. Carroll said is acting as an adviser. The two visited Palo Duro Canyon.

"It's just wonderful," said Dr. Carroll, "Especially for a picture with a Texas theme. It's just a natural."

Johnson is a bit part player and a stunt man both for motion pictures and for television serials. He will be seen in two upcoming Western series this fall on two major networks.

He plays the part of a stage coach driver in one scene in "High Chaparral", a series to be aired over NBC-TV this fall.

He also plays some bit parts in various episodes of "Dundee and the Culhane," a Western series to be seen this fall on CBS.

Dr. Carroll said nothing definite has been decided but that he and Johnson feel that Palo Duro Canyon would be an excellent place to film a motion picture which he is authoring.

"We are very much interested in doing something in Palo Duro Canyon," he said.

Dr. Carroll won the Pulitzer prize for a paper on George Washington. He is a specialist in Western History.

He holds his doctorate from Georgetown University and has taught at Texas Christian University and at Delmar College

## Lake Refuge May Reopen

Possibility of reopening the lower spring bay and upper east and west areas of Buffalo Lake Refuge to water contact sports will be discussed next week.

Gordon Hansen, refuge manager, said the fecal coliform bacteria count at the lake was less than two per 100 milliliters of water. The US Public Health Service sets a standard of 200 fecal coliform bacteria per 100 milliliters of water to indicate contamination.

Hansen said he would discuss the possibility of reopening the lake with representatives of the health service.

The entire lake was posted for about a month earlier this year after more than 250,000 fish died due to polluted waters. About two-thirds of the lake was reopened, but the other portion has remained posted against water contact sports.

The water-polluting bacteria comes from the feces of warm-blooded animals.

## Randall Growth Is Tops

The US Bureau of Census reports that Randall County was the sixth fastest growing county in the United States during the period from 1960 to 1965.

Rate of growth was tabbed at 49 percent.

Randall's rate of increase was based on two factors--migration in to the county, which accounted for 40 percent, and the fact that the birth rate was 9 percent above the death rate.

Counties outranking Randall in growth during the census period were: Clark County, Nev., 82 percent; Ventura County, Cal., 59.5; Orange County, Cal., 57; Madison County, Ala. 55; and Virginia Beach City, Va., 53 percent.

# Damage To Milo Not Determined

Extent of damage by maize dwarf mosaic to milo has not yet been determined but it probably will not be as heavy as was feared a month ago.

Maize dwarf mosaic is a virus which has attacked milo in this area.

This seemed to be the concensus this week of most people associated with agriculture in this community.

Paul Read at Taylor-Evans Farm Store here said there will be some damage but he does not believe that it will be as heavy as last year.

Read said milo here is at all stages. Some is already begining to turn while some is still not out of the boat. He said with " a little help" we could have a pretty good crop.

County Agent John Brazzil is still worried about maize dwarf mosaic. "We can't tell what it has done to a crop until it heads out and the grain begins to set," Brazzil said.

"I think the crop depends more rain than disease," he went on.

He said the southeast part of the county got some good rains Sunday and Monday nights. rainfall at the R. B. Elliott place in that part of the county came to 2.5 inches, he said.

There was rain at the Louis Hinders and R. B. Gist, Jr., places both Sunday and Monday, he reported.

The county agent said wheat planting would begin soon in sections of the county where moisture is adequate. He said farmers are eying wheat pasture.

He said wheat planting probably will continue until Oct. 1.

## Mardis Named Scout Leader

Ralph Mardis has accepted the position as district commissioner for the Randall District of the Llano Estacado Council of the Boy Scouts of America.

Mardis, who is manager for Pioneer Natural Gas in Canyon, will work with local scout leaders in the council.

"I didn't have the opportunity to work in scouting as a boy," said Mardis. He has previously served as secretary for scouts in Muleshoe and

RALPH MARDIS

was an assistant scout leader in Floydada.

The Mardis family moved to Canyon in January. He had served as manager for Pioneer Natural Gas nine years in Floydada and 5 1/2 years in Muleshoe. He worked with the company in Canyon while attending West Texas State University, 1946-50, where he received a bachelor of business administration degree.

His wife, Mary, also graduated from WTSU in 1950 with a bachelor of science degree in business administration and education.

Mardis said that his children are also interested in the scouting movement and son, Alan, 12, is a member of Canyon's Troop 66; Alvin, 9, is a member of the Cub Scouts; and daughter, Katherine, 8, is participating in the Girl Scouts.

# Dads Make Deal With Developer

City Commissioners agreed Monday to pay an Oklahoma developer one-half the cost of water and sewer lines to his proposed apartment complex outside Canyon when the property is annexed. Estimated cost of the lines has been set at $50,000.

The city will allow the W. P. Francis Construction Company of Tulsa, Okla. to charge other developers who may wish to tie on the line. The city engineer, commissioners agreed, would approve all tie-ins to the line.

The 144-unit apartment complex, to be located just north of Taylor and Sons Lumber Company, is expected to cost more than two million dollars and should be completed by February, 1968.

Jim Crockett, representing the construction firm, said Monday he might be able to recover as much as the line's total cost through the tie-in arrangement. The construction company will retain ownership of the line until the property is annexed.

Whatever the city pays toward cost of the line would be due during the budget year the property is placed on the tax roll.

The construction firm will be responsible for any line easement charges.

Crockett's lawyer and City Attorney A. W. Lair will finalize contractural agreements.

Crockett had first requested

## Downtown Merchants Set Goal

Some 25 merchants have become members of a downtown merchants association known as "Downtown Shopping Center."

"It's shaping up real good," said Bernard Warren, member of the board of directors of the group.

Membership is open to any merchant owning or operating a business around the court house square or within two blocks of the square.

Dues have been fixed at $5 a month with an application fee of $10.

Purpose of the group, which is organized as a corporation, is to promote business for merchants located within the limits of the Downtown Shopping Center of Canyon.

Members of the board, other than Warren, include Clarence Eugene Thompson, Worth Jennings, Jimmy Killingsworth, Clay Cooper and Bob Bellah.

## New Zone Districts Studied

The possibility of adding six additional zoning districts to the present five was discussed at a joint meeting of the Planning and Zoning commissions Tuesday.

Marvin Springer, urban planning cosultant from Dallas, told commission members the districts would act as "tools" for the future development of Canyon.

Springer, who has been in Canyon preparing a land use survey to determine the present and future development of each section of the city, said he would formulate additional plans for review of the two governing agencies.

The planning consultant said he would meet again in three to four weeks with the two groups for further discussion of the proposed zoning ordinance. The present ordinance was adopted 12 years ago.

(See ZONE Page 3)

## 100th Show For 'TEXAS'

An audience of 1,635 viewed the 100th performance of "TEXAS" Saturday in Palo Duro Canyon State Park.

The first performance of "TEXAS" opened July 1, 1966 and more than 61,000 attended during the initial season. Another 39,000 have seen the show this year.

The production will play nightly, except Tuesdays, through Labor Day, Sept. 4.

# Registering To Begin Here For School Term

Students in the Canyon Independent School District will register today and Friday for the 1967-1968 school term here. Classes will open Monday.

Seniors, juniors, freshmen and eighth graders enroll today, Thursday, and the remainder of the lower grades will register Friday.

All students at CHS this fall are to report to the commons area for initial instructions. Procedures will be explained in the CHS auditorium and various phases of the registration will be followed.

Seniors and freshmen will register from 8:30 a.m. until noon and juniors will enroll from 1:30 p.m. until 4:30 p.m.

Sophomore registration is set Friday from 8:30 a.m. until noon.

Each CHS student must pay a $2 activities fee on registration day and all past due accounts for the 1966-1967 school term must be paid prior to enrollment.

CHS students who have moved into the school district and who have not come to the principal's office for a conference in regard to class schedule should do so at once.

Those students who have moved into the district and plan to attend CHS must have a transcript of previous school record, birth certificate and doctor's certification of smallpox, diphteria, measles and polio immunization.

Senior pictures will be made Friday and Saturday. Letters giving specific time, place, manner of dress and cost, will be mailed to those seniors.

Various laboratory fees must be paid by each student on the registration day.

Seventh graders will enroll Friday from 8:30 a.m. until noon.

All seventh graders this year must have new small pox vaccinations and all boys who plan to participate in athletics must have a certificate of physical health check before reporting for the athletics.

Various laboratory fees for the junior high students are to be paid to subject teachers at the beginning of class instruction. A $2.25 activities

## New Check Rule Soon

Canyon's two banks will not be able to honor "drafts" or those checks which have been altered after Sept. 1.

All Federal Reserve Banks will no longer process checks after that date which do not bear magnetic ink symbols of the writer's bank.

The magnetic ink symbols, located at the lower left hand corner of the checks, are used

# Court Okays Building Plans

Randall County commissioners Monday approved preliminary plans for a court house annex which will cost in the neighborhood of $400,000.

Architects Clayton Shiver and Russell Megert said bids on the new structure, to be built on the north side of the existing court house, will be let early next year.

Plans call for the county tax assessor-collector and the county clerk to be housed on the first floor of the new building.

Offices for criminal district attorney and the county judge will be located on the second floor. Space is provided for two assistant criminal district attorneys when they are needed.

Also on the second floor will be a county court room, a commissioners court room, two conference rooms and a law library.

The basement will provide a large storage room. A shaft will be provided for an elevator if at some time in the future a decision is made to install one. Architects also made provisions for adding two more stories to the 2-story structure at some future date.

When planning on the new annex first got under way in June, estimated cost was $250,000. No bond issue will be necessary for construction of the annex. It will be financed with time warrants.

Commissioners Monday approved a budget of $944,327.05 for 1968. This is up approximately $85,947 from the current budget, according to County Auditor Betty Hodges, who said the disbursement figure for the current budget was $858,380.46.

She said budgeted salary in-

## Game Licenses Expire Aug. 31

All hunting and fishing licenses expire Aug. 31, said Texas Fish and Game Commission Warden Stanley McDonough, no matter when they were purchsed.

New 1967-1968 hunting and fishing licenses may be purchased for $3.15 and $2.15, respectively, from the Randall County Clerk's office, most sporting goods stores, Western Auto here, or the Parks and Wildlife office at 3806 Bowie in Amarillo.

Federal duck stamps, which are required for hunting migratory fowl, can be purchased at the US Post Office here for $3 each.

Randall County residents may fish within this county without a license if no winding device is used or if they are over 65 or under 17 years of age. They may also fish without a license on their own property.

Those hunting or fishing without a license may be fined in Justice of the Peace court up to $200.

# Hearing Today On Injunction

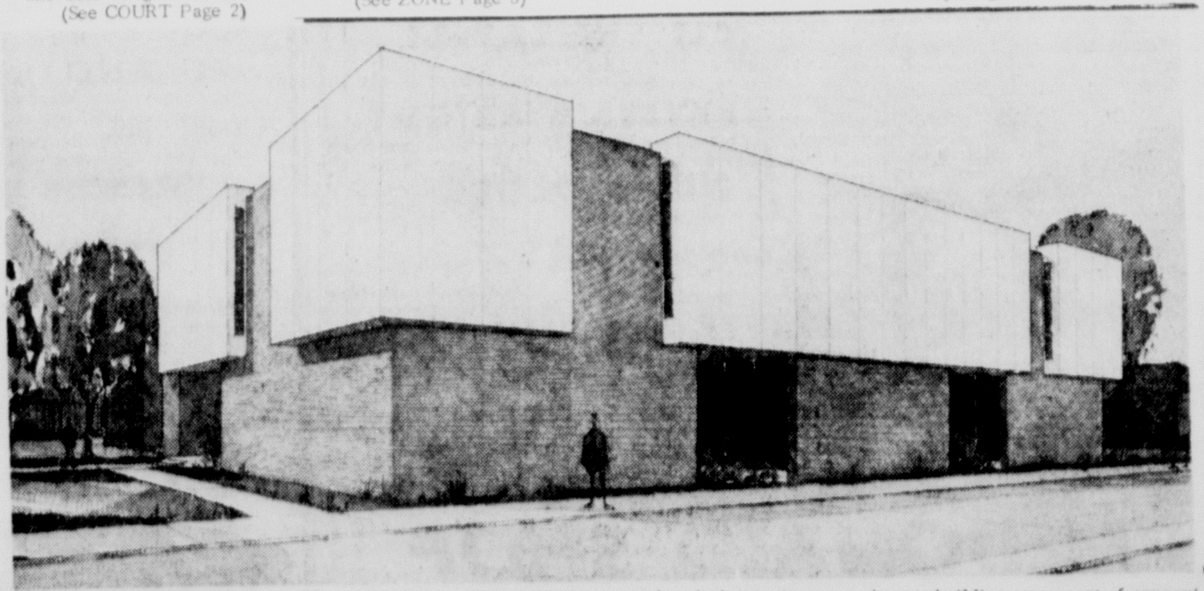

Hearing on an injunction against the Canyon School District tax assessor-collector, the school board and the school district board of equalization will be held at 9 o'clock this morning in the 47th District court room in Potter County court house in Amarillo.

Equalization board hearings were halted last Friday after a court order issued by District Judge Gene Jordan was served on Tax Assessor-Collector Conway Kuykendall and members of the board of equalization. School Board President Wesley Cox was out of town Friday but was served late Monday.

The court order was issued as a result of a petition filed by Fletcher Sims, Jr., Canyon, acting for Randall County Taxpayers League. Sims was an unsuccessful candidate for school board this year.

The restraining order issued by Judge Jordan alleged that Kuykendall did not comply with the law in giving notice to tax-

THIS IS an architect's drawing of the proposed new Randall County court house annex. The annex is to be constructed just north of the main court house building at a cost of approximately $400,00. Bids will be let sometime after Jan. 1.

to route the checks through high-speed computers.

Federal Reserve officials have said that with the magnetic ink symbols, the high-speed computers sort checks at a rate of more than 60,000 per hour. Without the symbols, checks must be processed on low-speed machines at a rate of only 1,500 per hour.

All stores have been requested to withdraw all counter checks and have been encouraged to refuse to cash checks which do not have the magnetic ink symbols.

The new restriction on handling nonpreprinted checks will mean slower collection for this type check and a more costly collection process.

In effect, the non-printed check will be handled as a non-cash collection, which means that credit cannot be given the reciver of the check until it has been completely processed through the drawer's bank.

BICYCLE SAFETY INSPECTION day will be held Saturday for Canyon youngsters in Conner Park. Canyon Police Chief L. D. Caldwell is shown presenting an inspection certificate to his grandchildren, Geo and Zady Caldwell. Project is sponsored by the Kiwanis Club here.

## Bike Checks Set Saturday

A bicycle safety inspection program will be conducted Saturday from 10 a.m. until noon in Conner Park by members of the Canyon Kiwanis Club.

The Kiwanians and Canyon Chief of Police L. D. Caldwell will inspect the bicycles and issue safety certificates for those that pass the tests.

The youngsters will also receive a list of bicycle rules and regulations. The inspections are free, said Johnny W. Janak, project director.

The pre-school inspections, Janak said, will be conducted adjacent the City Pool.

fee will also be charged.

It is important that all children who have moved into the district since the last school term enroll during August prior to the regular enrollment date at both Gene Howe and Rex Reeves Elementary schools.

Boundary lines between the two schools will remain the same as last year unless enrollment dictates otherwise.

Students with last names 'A' through 'K' will enroll between 8:30 a.m. and noon and students 'L' through 'Z' will register between 1 p.m. and 4 p.m.

All first grade and new students must also furnish a certified or photostatic copy of their birth certificate which will remain in the student's permanent file at the school.

All elementary students need to have their report cards from last year on the enrollment day.

Each elementary school day will start at 8:35 a.m. until Oct. 2 first graders will be dismissed at 2 p.m.

A list of materials to be purchased by the students will be furnished at enrollment time and all students will be assigned to a homeroom teacher for the year. Enrollment will be completed in the student's homeroom.

Any questions concerning bus service should be directed to Jim Plain, OL5-2509 from 8 a.m. until noon.

## News Brief

TIERRA BLANCA chapter of the National Secretaries Association will meet Thursday, August 31, at 7:30 p.m. in the First National Room.

According to Genelle Bourland, president, the program will be devoted to "improvements and charm".

creases, increases budgeted to two commissioners precincts and additional allowance for charity and public service account for a big chunk of the increase in the budget.

She said there is also talk of hiring an assistant for the criminal district attorney's office.

For the current year $55,000 was budgeted for Precinct 2 while the 1968 budget calls for $70,000 and in Precinct 4 the current budget allotted $45,000 while in 1968 budget calls for expenditure of $75,000. In both cases budgeted increases are largely due to expected road construction next year.

A $6,000 a year salary for a county juvenile officer is a part of the figure budgeted for charity and services.

No one attended the public hearing held on the budget Monday before its approval.

Commissioners appointed a jury of view to study the need for a road petitioned to join a 269-acre tract belonging to Fortress Cliffs Corporation to existing county road. The landlocked tract is located on the north edge of Palo Duro State Park in County Precinct 1. The corporation is owned by Charles Allen, R. E. Barnard and O. P. "Pete" Cowart, all of Canyon.

The owners say they plan to develop the tract into residential area. All three said they plan to build homes for themselves there.

The jury of view appointed includes John Plank, Travis Payne, Ben Koch, Lonnie Byars and Forrest Gruner.

Dr. Guy Owens of Amarillo and Bill Beedy, whose property the proposed 4 miles of road would cross, object to it because they say their property would be damaged.

Bill Gibson, Amarillo attorney representing Dr. Owens, said he may ask for an injunction if the county decides to go ahead with the road.

Jim Witherspoon, representing Fortress Cliffs, Monday told commissioners that the public clearly would be served by such a road.

V. E. Patterson and Frank Rapstine, Amarillo developers, were told that plat of Sherman Acres in North Randall County could not be accepted until 60-foot streets are provided. The developers said they were unaware of this requirement at the time the development was laid out and that the project now has some 15 homes.

Commissioners suggested that the developers get 5-foot easements from property owners on each side of the streets in the development.

Wes Kleinschmidt, commander of the American Legion, post here appeared before the commissioners with a proposition to sell the American Legion Hall to the county for use as a county library. He said the post no longer is financially able to keep up the building.

Kleinschmidt told the court that the building has been appraised for $25,000 but indicated that if it were to be used as a library, the cost to the county would be much less. No action was taken by the court.

In other action, the court authorized Bill Butler to advertise for bids for a pickup truck for Precinct 4.

## Operation Law, Order For Kiwanis

Operation Law and Order will be promoted by the Canyon Kiwanis Club in connection with a priority project of Kiwanis International for 1968.

The program in Canyon will begin September 1 with a special panel discussion on the "effective role that business and professional men may play in assuring and preserving law and order in their own communities", according to Kenneth Olson, Canyon Kiwanis Club president.

Olson reports that several local law enforcement officials have been invited to participate on the panel program including Mayor Paul Lindsey, Sheriff L. S. 'Slim' Johnston, Police Chief L. D. Caldwell, Texas Ranger E. G. 'Butch' Albers, and others.

The panel discussion will open a year-round study of the subject, according to Olson.

in Corpus Christi.

Dr. Carroll has been at the University of Arizona for the past 8 years. He is chairman of the publications committee for the Western History Association.

A western was filmed in Palo Duro Canyon in 1950. Entitled "The Sundowners," it was a tale of cattle rustling and daring do in the finest shoot-em-up style.

It starred Robert Preston and was the first picture for John Barrymore, Jr. Chill Wills also played in "The Sundowners." The picture premiered at the Paramount Theater in Amarillo and although it never attracted much notice, the scenery photographed in the Palo Duro was magnificient.

During the filming of "Hud" at Claude a few years back, several Paramount Pictures people expressed an interest in the possibility of doing some filming in the Canyon area but nothing ever came of it.

## No Bidders On Building

No bids were received for the old concessions building at Buffalo Lake Refuge, according to Manager Gordon Hansen.

Hansen said the building, 18 x 140 foot, had to be moved to allow for new construction at the lake. Due date for final bids was Aug. 15.

He said re-advertisement for bids on the building that was constructed in 1939 would be made in about a month.

The concessions building was closed in April due to lack of business.

Additional information may be obtained by contacting Hansen at the refuge office, GY9-2601.

## Grassland Is Burned

About 60 acres of grass was destroyed by a fire Sunday afternoon on soil bank land owned by Newton Crain.

Five units from the Canyon Fire Department were called to extinguish the blaze about five miles southeast of the city. The fire, said Capt. Joe Rice, was probably caused by lightning.

Shortly before the incident at the Crain farm, firemen were called to extinguish a small grass fire on the south end of the city.

The fire was on property owned by G. C. Rainwater.

## Cheerleaders Attend School

Canyon High School's six cheerleaders recently returned from a Southern Methodist Univeristy-sponsored school.

The girls, Bea Thompson, Marilyn Bourland, G'Lou Williams, Shelly Taylor, Melissa Hicks and Jenny Lair, received a first, second and two third place awards in cheerleading competition.

About 1,100 cheerleaders from throughout the state attended the 5-day school.

Accompanying the girls from Canyon was Mrs. Dudley Moore.

## Yea, Eagles!

LEADING CHEERS at Canyon High School this year will be, left to right, front, Jenny Lair, Melissa Hicks, Shelley Taylor and back, l-r, G'Lou Williams, Marilyn Bourland and Bea Thompson. In addition to leading cheers for the Canyon Eagles, the girls also make posters and sell "beat" tags to add revenue to the cheerleading fund. Money from the fund provides pom-pons, megaphones and is used to send girls to cheerleading school each summer.

the city pay for all the line, plus a guarantee that the property would be free from annexation for a 10-year period. After meeting with about a dozen Canyon businessmen last week, commissioners refused to approve the request.

The Oklahoma developer met last Thursday with commissioners to give his counter proposal. He and Mayor Paul Lindsey then finalized plans the following day.

The apartment structure, to be in two units, will be about one and one-third blocks long and will front the Canyon Expressway. Tennis courts, two swimming pools and patio areas will be included in the complex.

Commissioners again Monday refused to take action on a request from Pioneer Natural Gas Company that rates in Canyon be hiked 11.5 per cent.

The initial request, made this June, would give Pioneer Natural the increase for each of its 55 West Texas Distribution cities.

Commissioner Felix Pierce moved that no action be taken on the request until city dads could determine if Lubbock approved the increase.

"I've got a feeling it's going to go over anyway, so why should we stall around about it," countered Commissioner Tom Foster. Pierce then withdrew his motion.

After Mayor Lindsey said he understood a compromise rate increase was "in the mill", Pierce restated his original motion.

"We debated quite a while on it", (rate increase), Pioneer Natural President C. I. (Stony) Wall told the commission at a public hearing last Thursday.

About eight Canyon businessmen attended the public hearing, but none expressed disapproval concerning the proposed rate increase.

Pioneer has had, Wall said, three increases since 1946.

Wall said as of last Thursday, 28 towns in the company's WT Distribution System had approved the rate increase.

Wall said Pioneer stockholders would receive their yearly dividends even if the rate increase is not approved.

Explaining the procedures Pioneer must follow in order to get approval for a rate hike, Wall said Canyon has 60 days to decide on the matter. If they fail to approve the request, the Railroad Commission in Austin schedules a hearing.

"That's the statute--that's the law. I've never threatened anyone," Wall declared.

In other commission action Monday, approval was given to pursue joint deliquent tax collection suits with the city and Randall county.

Last August, Lair was ordered to collect the taxes which go back as far as 1939 and total $33,854.17.

Pierce said he would meet at a later date with Randall County Commissioners to determine their views on subsidizing a portion of the LaGrone Ambulance Service.

Jerry LaGrone, owner of the ambulances, said earlier additional salaries and other costs was causing him to lose several hundred dollars each month.

"My own feeling," Mayor Lindsey said, "is that if we are responsible in part, they (Randall County) are responsible in part."

LaGrone said about 82 per cent of his calls were within the city limits.

"I've never been able, in my own mind," Lindsey stated, "to see that an ambulance service was a responsibility of the city."

In other business, the payment of $500 to the Amarillo Area Foundation for a medical coordinator's salary was approved.

City dads last May agreed to pay $500 annually to the foundation.

Advertisement for bids on 1,500 feet of hose to be used by the Canyon Fire Department was given sanction.

There are 11 firms on the fire hose bid list.

## Zone . . .

(Continued from Page 1)

To adopt the proposed new ordinance, a joint public hearing of the Zoning, Planning and City commissions is required, Springer explained.

Also to be decided by the commissions will be subdivision regulations and a pending planning grant for the city.

The planning grant, which must be approved by the Department of Housing and Urban Development to insure Federal funds, will cost an estimated $20,000, of which Canyon will pay about $5,000.

The grant, which will include the land use survey, base maps, capital improvements and other studies, was first submitted to the Department of Health in Austin last October.

The law requires that any city with a population of under 50,000 making a grant request must first submit it to a state agency.

The comprehensive plan will be correlated with studies made for the Amarillo Metropolitan Area Plan.

The closing of Amarillo Air Force Base qualified Canyon as an "impacted" area in the Amarillo Metropolitan region.

"When completed," Springer said, "the proposed planning will assist in the orderly future development of this growing community. It will form the basis for guiding new development and eliminating existing blight and preventing conditions which could lead to blight."

A. B. Hunsley, Canyon developer, asked if his old master plan for an area in the northern section took precedence over the city's zoning ordinances. Springer said they did not.

Hunsley said he would meet with the Zoning body at a later time and work with them concerning plans at Hunsley Hills.

Also present at the Tuesday evening session were members of the City Commission.

## Resident's Father Dies

Funeral services for Ed Lemmer, 86, were conducted August 11 in Cozad, Nebraska.

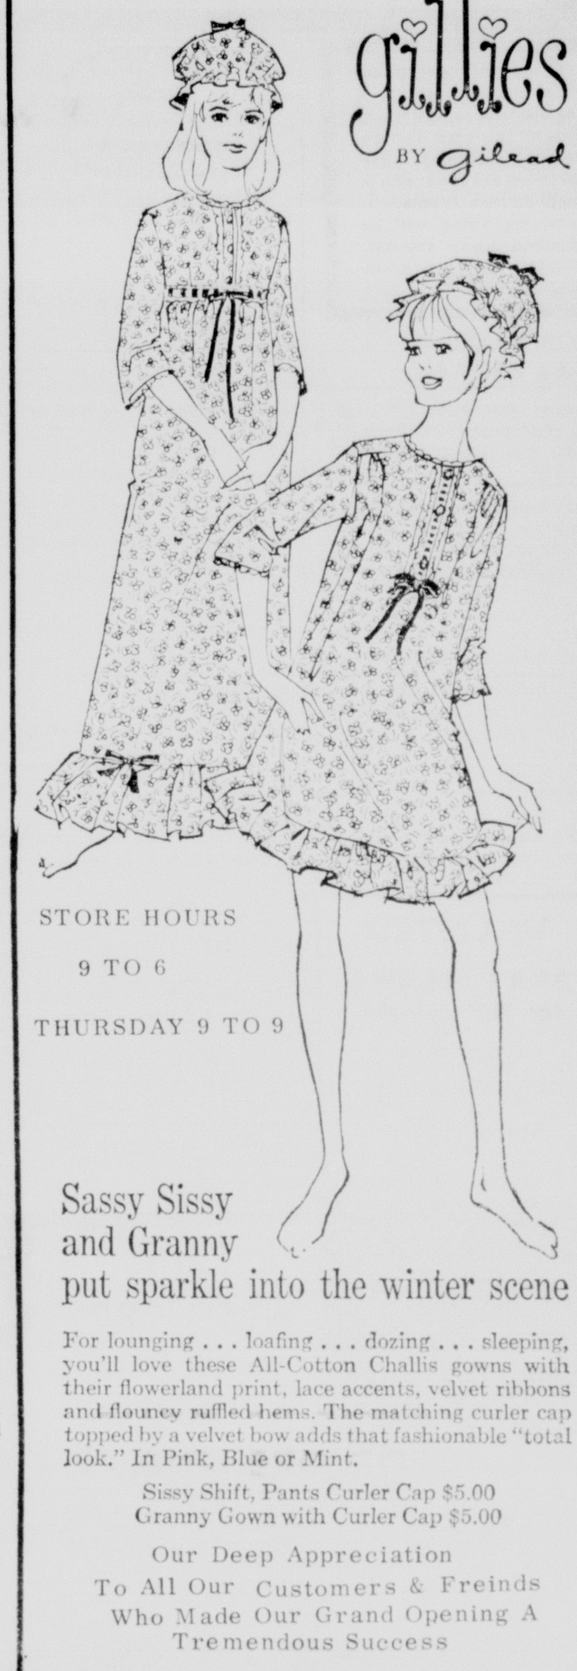

Mr. Lemmer was the father of Mrs. Leroy Boehning of Canyon.

Other survivors include his wife, Augusta of Cozad, Nebraska; children, Jerome Lemmer of Cozad, Henry Lemmer of Sharon Springs, Kansas, Mrs. Alonzo Buckley of Callaway, Nebraska, Ivan Lemmer of Sargeant, Nebraska, and Mrs. Boehning; 23 grandchildren and 17 great-grandchildren.

## Hearing . . .

(Continued from Page 1)

payers of increased valuations.

Sims complained that tax notices sent out by Kuykendall bore only the taxpayer's rendition for this year and last year's valuation of the property involved but no assessment of this year's valuation.

Attached to the petition brought by Sims were copies of tax notices sent to Mrs. W. E. Parker, Sims and Morris Abbott. The notices carried only this year's rendition and last year's valuation. Nothing has been entered in the column marked for this year's valuation by the equalization board.

The petition contends that valuation should have been set this year by the tax assessor-collector and that the taxpayer should have been notified of such assessment.

Sims further contends that because of lack of previous notice, the taxpayer was not given sufficient time to gather evidence to refute any increase in the vauluation of his property over his rendition.

Following is an excerpt from the court order issued by Judge Jordan:

"It is therefore ordered, adjudged and decreed that the clerk of the court issue a mandatory injunction directing and requiring Conway Kuykendall as assessor-collector for the Canyon Independent School District to now give notice on or before Midnight Tuesday, August 22, 1967 to all taxpayers who have rendered their property for 1967 in an amount which the assessor-collector believes to be below the reasonable cash market value of such property by placing a value opposite each piece of property which the assessor-collector believes to be the reasonable cash market value thereof; that said notices shall then afford such taxpayers an opportunity to either accept the amended value so placed on his properties by the assessor-collector or thereafter be permitted to appear before an equalization board at a later hearing to then determine the propriety of the rendition.

Elton Cox, school attorney, said notices must be sent not less than 10 nor more than 15 days before the board of equalization meets. Hosea Foster, chairman of the board of equalization, said Sept. 3 is the earliest date upon which the board can meet and said it probably will meet Sept. 5.

Foster adjourned the equalization board meeting Friday after the restraining order was served. About 76 people had appeared to be heard by the board.

Cox said that according to law, property owners must be assessed, the taxpayer given notice of assessment and then the board of equalization must meet to hear any complaints against the assessment.

A representative of the sheriff's department served the restraining order on the board of equalization and Kykendall about 3:30 o'clock Friday afternoon. The board was to have adjourned at 4 o'clock.

Cox said the board had agreed Friday morning to set property valuations, send out notices to affected taxpayers and then to hold another meeting to hear those who are dissatisfied.

"We already had planned to do exactly what they asked for in the petition and what the judge ordered," Cox declared.

Sims told the school board Tuesday night of last week that tax notices had been improperly issued.

A spokesman for the assessor-collector's office said 517 taxpayers were sent notices as a result of the court order and that more than 1,000 pieces of property were involved.

Extra help was required in the school tax office on an overtime basis. The spokesman said six persons worked Saturday into the night and that eight people worked Sunday in an effort to meet Judge Jordan's Tuesday midnight deadline.

The Sims petition was filed in the name of the Randall County Taxpayers League and more than 100 members of the group. It lists the League's board of directors which it says includes Lester Smith, B. E. McCormick, Victor Hill, John Albers, Mary Parker, Darrell Gant and J. Howard Rogers.

The petition called for a temporary restraining order and for a permanent injunction. Hearing on the permanent injunction is set for today in Amarillo.

# Judge Dismisses Bad Egg Charges

Five charges against an Amarillo egg dealer who allegedly held adultrated eggs for sale were dismissed Monday by Randall County Judge Lloyd King.

H. S. Avery, owner of the Avery Egg Company of Amarillo, had earlier been found guilty of the charges and was fined $25 on each count by Randall County Justice of the Peace W. W. Hancock.

Avery contended Monday he was only holding the eggs in storage for the Anheuser-Busch Company of Amarillo and did not plan to sell any of them.

Randall Criminal District Attorney George Dowlen said Rex Sherry, inspector for the Texas State Health Department, had taken samples from frozen eggs at the Avery company and shipped them to Austin for testing.

Howard Day, chief bacteriologist for the department, found the eggs to have a "very high count of bacteria", Dowlen said.

Judge King said Avery could not be held responsible under any Texas statute as he had no control over the goods being stored.

Samples taken from eggs owned by Avery were found to be good, Dowlen said Day's report stated.

# Pasture Management Benefits Grasslands

"Good pasture management is a necessity if a respectable return on the investment is expected from irrigated grasses in this area of Texas," said Don Dolle, Randall County soil conservationist.

"Management practices such as proper water application, a good fertilization program and rotation grazing will increase the gains from various types of grasses," said Dolle. Results of demonstrations show a return to land and management on Midland bermuda grass ranges from $40 per acre with low levels of management to $105 per acre with high levels of management.

Dolle stated that "the first step in good management is to select a good field of fairly level land where plenty of irrigation and livestock water is available."

"Midland bermuda grass will compare favorably with other crops on steep land with a poor supply of irrigation water and at the same time is an excellent soil conserver," Dolle said. "If bermuda grass is placed on this type of land, good yields should not be expected, however,"

Water and fertilizer are both important for Midland bermuda grass, according to Dolle who said that "irrigation frequency should be about every ten days with a three inch application". Fertilizer is recommended at a rate of 60-80 pounds of nitrogen and 40-60 pounds of hposphorus following a good irrigation in early April.

"This application will give the grass a good boost when it gets warm enough to start growing," he said.

"After grazing begins, which is normally about May 15 or June 1, use 60 pounds of nitrogen and then about the middle of the grazing season apply another 60 pounds of nitrogen and about 40 pounds of phosphorus. This rate of fertilizer should give a high protein analysis and large yield of forage," Dolle stated.

Soil tests may show a high level of phosphorus but after grazing one or two years phosphorus will probably increase the production, palatability and protein. In some cases high nitrogen and low phosphorus can cause nitrate poisoning, according to Dolle.

"Another way to increase yields is to use rotation grazing by cutting the pasture in three or four separate pastures with a rotation frequency of about 10-14 days," he said. While a pasture is "resting" it should be irrigated and fertilized.

According to Dolle, "if the grass gets ahead of the cattle it should be mowed back".

Another major point in preserving the grass is the grazing length. For bermuda grass, grazing should not begin until grass has attained a height of 7-8 inches and then should not be grazed below about 4 inches.

IRRIGATED SWITCH GRASS combined with good pasture management in irrigation, fertilization, rotation grazing proves a bountiful harvest for cattle shown here.

# Law Enforcement School For Area Police Officers

A law enforcement training school will open at 3 p.m. on the West Texas State University campus Monday.

The training school, sponsored by WTSU, the City of Canyon and the Randall County Sheriff's department, will be open for two hours each weekday. Each phase of the school will be taught on a two-weeks basis.

Divisions of the school will include accident investigation, narcotics and other drugs, and the law.

The school, open free to local as well as area law enforcement officers, will offer certificates for the completion of 160 hours of classroom instruction.

About 90 per cent of the instructors will be from law enforcement agencies outside the immediate area.

Refresher courses will be repeated once each year for the officers.

MRS. DAVID WARREN SKINNER

# First Presbyterian Church Vows Unite Jarrett-Skinner

Miss Mary Jane Jarrett was united in marriage with David Warren Skinner in double ring nuptial rites read Saturday evening at the First Presbyterian Church of Canyon.

Dr. and Mrs. Robert P. Jarrett of Canyon are parents of the bride. The bridegroom's parents are Mr. and Mrs. Weldon A. Skinner of Dimmitt.

The Rev. Strauss Atkinson, pastor of the First Baptist Church of Canyon, officiated at the exchange of vows. Rev. Baldwin Stribling, pastor of the First Presbyterian Church, assisted with the marriage ceremony. Mrs. Lee Foster, organist, accompanied the soloist, Mrs. Bruce Winn of Bethany, Okla., who sang "One Hand, One Heart" and "The Lord's Prayer."

The church altar was centered with a bouquet of white gladioli, pom-poms and white mums with white wedding tapers in candelabra flanking the center arrangements. Smaller floral bouquets accented the setting which was highlighted with draped white satin over the choir railing.

Given in marriage by her father, the bride wore a formal wedding gown of white silk organza styled along empire lines with a scooped neckline. The bodice featured a wide band of Venice lace at the lifted waistline. The lace was repeated on the elbow-length summer sleeve and terminated in a flared leaf scalloped edge. The floor-length skirt was eased into a wide A-line with gentle fullness in back sweeping the train to chapel length.

Her veil of imported French illusion was held to a headdress of flower lace. She carried a bouquet of white roses atop a Bible during the ceremony.

The bride's sister, Mrs. Thomas William Rheinlander of San Antonio, served as the matron of honor. Bridesmaids were Mamie Elizabeth Jarrett, sister of the bride, and Sandra Mae Faulkner of McAllen. Bridesmatrons were Mrs. Jimmy Marrs of Amarillo and Mrs. Walter Curry of College Station.

Formal dresses of mint green linette were worn by the bridal attendants. An inset of venice lace defined the empire line and was repeated on the wide trumpet sleeves of the A-line silhouette gowns. Each carried a large white camellia with satin streamers.

Candelighters were Susan Caroline Williams of Lubbock and Karen Florence King of Amarillo, a cousin of the bride.

Thomas William Rheinlander of San Antonio served as best man. Groomsmen were Charles Cathy of Richardson, Dan Garner of Dallas, John Marsh of Austin and David Stailey of Denton.

Ushering for the occasion were Robert Patton Jarrett, brother of the bride; Dan Weldon Skinner, brother of the bridegroom; Bob Williams of Lubbock; and Charles Holden of Austin.

Jarrett Hall at West Texas State University was the site for the wedding reception. Presiding at the bride's table was Mrs. Al Williams of Lubbock and Mrs. Felton King of Amarillo, aunts of the bride, who served punch. Serving the wedding cake were Mrs. Flora Phillips and Mrs. Kenneth Gibson of Amarillo, a cousin of the bride.

The groom's table had his aunts, Mrs. L. D. Smith of Temple and Mrs. Tom Brittain of Abilene, serving the cake. Presiding at the coffee service were Mrs. E. J. King of Childress, grandmother of the bride, and Mrs. Brittain of Abilene, grandmother of the bridegroom.

Members of the houseparty were Mr. and Mrs. Joe Gibson, Mr. and Mrs. Boone McClure, Mr. and Mrs. Newton Crain, Mr. and Mrs. E. J. Stovall of Amarillo and Mr. and Mrs. Carl Denny of Childress.

For a wedding trip to the Dallas area, the bride changed into a three-piece green silk suit with black accessories.

The bride received her bachelor's degree in elementary education from Trinity University in San Antonio, where she was a member of the Spurs social club. She will teach in Lancaster this fall.

The bridegroom received his bachelor's degree in secondary education from North Texas State University in Denton. He was a member of Sigma Phi Epsilon and the Talons. He will teach at Lancaster Junior High.

The couple will reside in Dallas.

## Chenaults Have Girl

Mr. and Mrs. Wayne Chenault announce the birth of a daughter, Andrea Marie.

Born at Neblett Memorial Hospital, the infant weighed 6 pounds 8 ounces on arrival August 15.

Grandparents are Mr. and Mrs. Ellis Chenault of Canyon and Mr. and Mrs. Edd Aduddel of Claude.

MRS. E. E. WHITTEN, left, serves Mr. and Mrs. W. L. Smith at a reception held last Thursday in the formal lounge of the Student Union Building at West Texas State University. The reception was in honor of Mrs. Smith on her retirement from the film department of the university library.

# Marriage Rites Read For Couple

Miss Connie R. Prescott of Tulsa, Oklahoma and George W. Prince, Jr. of Amarillo were united in marriage recently at Lemoore Naval Air Station in California.

Mrs. Sherlyn Burgess of Stockton, California served as matron of honor for her cousin and Bill Cooley served as best man. Rev. Samuel Ganaway officiated at the marriage rites.

John Kennison gave his niece in marriage. She was attired in a street length three piece suit of Chantilly lace and crepe and carried pink rosebuds atop a white Bible.

The bride is the daughter of Mr. and Mrs. Dub McCole of Tulsa, Okalhoma and attended Northwestern State College at Tahlequah, Okla. prior to the marriage.

Prince is the son of Mr. and Mrs. George Prince Sr. of Amarillo. He attended Canyon Public Schools and is a graduate of Palo Duro High School in Amarillo. He studied at West Texas State University, majoring in agriculture, prior to entering the Navy about two years ago. He is in the aircraft maintenance department at Lemoore Naval Air Station. He has served in Vietnam, Cuba, the Phillippines, Japan, Africa and the Virgin Islands.

## Daughters Birth Told

Mr. and Mrs. Max McCulloch announce the birth of a daughter, Kara Kim.

Born at Neblett Memorial Hospital August 14, the infant weighed 7 pounds 2 ounces on arrival.

The couple has another daughter, Kelli Kris.

Grandparents are Mrs. A. L. Cooper of Big Springs and Mr. and Mrs. B. W. McCulloch of Coleman.

## Reception Honors For Mrs. Smith

A reception honoring Mrs. W. L. Smith on her retirement from the film division at the West Texas State Library was held last Thursday afternoon in the formal lounge of the Student Union Building at WTSU.

Mrs. Smith retired this summer from her position as director of the university film division, where she had served for about 20 years.

The reception table was laid with a hand crochet cloth and centered with a bouquet of yellow flowers. Assorted party cookies and lime punch were served with crystal and silver appointments.

Host committee for the occasion were Mr. and Mrs. Charles E. Wright, Mr. and Mrs. Burl J. Brim, Mrs. Guy Bush, Mrs. E. E. Whitten and Misses Ruth Cross, Claudia Neelley, Nora Killian and Ruth Lowes.

## Engagement Announced

Mr. and Mrs. Bill Collins of Olton announce the engagement and approaching marriage of their daughter, Linda Mae, to Billy Roy Smith, son of Mr. and Mrs. W. B. Smith of Olton.

Both are graduates of Olton High School. The bride-elect is a sophomore business administration major at West Texas State University.

Her fiance is a junior at WTSU majoring in biology. He is employed for the summer with United Health Services in Plainview.

Both plan to continue their college studies at WTSU this fall.

# Miss Jennings Weds Sparks At First Methodist Church

Double ring marriage rites were read for Miss Jan Jennings and J. Stanley Sparks, Jr. at the First Methodist Church of Canyon Saturday, Afternoon.

The Rev. Strauss Atkinson, pastor of the First Baptist Church, officiated at the exchange of vows.

The bride is the daughter of Mr. and Mrs. Jack Neil Jennings of Canyon. Parents of the bridegroom are Mr. and Mrs. J. Stanley Sparks, Sr. of Frederick, Okla.

Lance Bohannon of Frederick, Okla., presented organ selections including works from Handel, Bach, Franck and Fisher as the prelude, "Trumpet Tune in D' Major" by Purcell as the processional; second movement of "Gothic Suite" by Boellman as the recessional; and the "Gigue" fugue by J. S. Bach as the service postlude.

A floor standard of white princess gladioli and snowball mums centered the altar area which was flanked with floral arrangements. The entrance to the bridal aisle of white satin was marked by snow cherubs and white silk bridal rope.

Given in marriage by her father, the bride wore a gown of white peau de soie featuring a scooped neckline, with an accenting cut-out back. The train was accented with silk roses forming a sanctuary train trimmed with cathedral lace. The bodice, with a natural waistline, was overlaid with lace.

Her tiered veil of French imported illusion was attached to a half hat of crystal silk roses. She carried a bouquet of stephanotis and baby roses accented with blue seed pearls and blue satin streamers. In keeping with the bridal tradition, the bride wore her grandmother's cameo.

Karen Erwin of Canyon served as maid of honor. Bridesmaids were Jaci Day of Stillwater, Okla., sorority sister of the bride; and Joy Sparks of Frederick, Okla., sister of the bridegroom.

The bridal attendants wore gowns of blue floorlength fitted sheath taffeta, overlaid with a cage of matching blue bird's eye net. Headdresses were an open ring and veiling of self-material. They carried colonial bouquets of white daisy pompoms tied with streamers of blue satin.

Best man was Tommy Dotson of Frederick, Okla. Groomsmen were Jerry Fine and Lieutenant Larry R. Herring, both of Altus, Okla.

Ushers were Donald Breitling of Canyon and Jim Hayes of Oklahoma City, Okla.

The couple were honored with a reception at the First National Room at the conclusion of the ceremony. The serving table was draped in floor-length cloth of white satin folded and clipped at the table edge with swags of matching fabric. The table was centered with a tiered silver epergne of white roses, daisies and beauty asters and flanked by silver candelabra holding crystal prisms and dinner tapers.

The tiered wedding cake featured the bride's chosen colors of blue and white. Ann Chaney of Oklahoma City, Okla, served the cake and Mrs. Larry Fields of Odessa ladled punch from the silver punch set. Presiding at the guest register was Jan LaFevers of Mc Allister.

The bride wore a tailored pin-stripe suit of black and white accented with white lace collar and cuffs as the couple departed on a wedding trip. Her white derby hat was banded with black patent and her modified spectator heels were of white buckskin and black patent.

A graduate of Canyon High School, the bride is now a senior at Oklahoma State Univeristy majoring in housing and interior design. She holds membership in Delta Delta Delta, where she was panhellenic representative and historian. She is also active in Phi Upsilon Omicron, honorary home economics fraternity. She is a Lew Wentz scholar at the university.

The bridegroom is a senior at Oklahoma State University majoring in architecture. He is a member of Beta Theta Pi and holds a Leonard H. Bailey scholarship.

The couple will make their home at Stillwater, Okla.

## Clevelands Have Infant

Mr. and Mrs. Jim Cleveland announce the birth of a son, Jon Kenneth, who weighed 7 pounds 9 ounces on arrival August 10 at Northwest Texas Hospital in Amarillo.

The Clevelands have another son, Jay Sol, 3 1/2. Cleveland is slated to graduate from West Texas State University this month.

Grandparents are Mr. and Mrs. Alton Addison of Lamesa and Mr. and Mrs. Sol Cleveland of San Angelo.

MRS. J. STANLEY SPARKS, JR.

# Miss Lisle Is Honored

A miscellaneous bridal shower honoring Miss Sharon Lisle, bride-elect of Michael Plummer of Massillion, Ohio, was held last Tuesday in the home of Mrs. W. F. Haggard.

Mrs. Haggard, Miss Lisle and Mrs. Hampton Lisle, mother of the bride-elect, received guests. Presiding at the guest book were Wanda Graham and Jan Haggard.

The bride-elect's chosen colors of blue and white were used on the serving table which was covered with a white dotted swiss cloth featuring a floor-length flounce edge.

A white bouquet of daisies and fern centered the table which was accented with crystal and silver appointments. Presiding at the table were Misses Shirley O'Donald and Linda Grabbe.

Assisting Mrs. Haggard with hostess duties were Mesdames Delbert Davis, Weedon Echols, Jim Cabe, Duane Howard, Lee Roy Moreland, C. S. Thompson, Bill Cooper, A. K. Goodman, Recil Johnson, Nell Sheets, Jess Rhodes, D. J. Maynard, Gordon Downing, Charles Graham and John Plaster.

## News Brief

# Sisters Reunited After 14 Years

"She is the same sister....a few years older....but the same," declared Mrs. Reginald Ellett of Holywell, North Wales, who has been in Canyon several weeks for a visit with her sister, Mrs. J. D. Shapley, whom she had not seen for fourteen years.

Mrs. Shapley, who resides 504 Seventh Ave. in Canyon, has spent the past few weeks showing her adopted country to her sister and husband who are here from North Wales.

The trio have attended "TEXAS", seen numerous sites in the area and toured in New Mexico, Colorado and Oklahoma. The Elletts will leave Friday for the return trip to North Wales.

"It is impossible to see all that you'd like to see," said Mrs. Ellett. "We have enjoyed our visit here and the farms and cattle are so like home. We live on a big hill overlooking the valley in North Wales and found that the mountainous area of Colorado was very similar to our homeland."

The Elletts have one married son and are expecting their first grandchild about the time they will return home.

Mrs. Shapley said the "Elletts did not bring a raincoat because of the description given by her mother, who was here four years ago."

"And it has been rainy all of the time we were here," laughed Mrs. Ellett.

In Wales, Mr. Ellett is a partner in a building firm. The Elletts described their homeland as primarily based on agriculture and farming.

Asked what they liked about the United States, Ellett commented that he "loved the ice cream" and was trying to sample many flavors.

The Ellets found the eating customs different at the Shapley home than at their residence in Wales.

"We are used to our dinner in courses," said Mr. Ellett. "It is quite unusual to get a sweet salad with your meat and potatoes over there."

Mrs. Shapley came to the United States as a service-bride. Her husband was in the United States Army, when the couple was married.

Leaving behind her homeland, Mrs. Shapley and her husband came to Texas and settled in Canyon to raise their family. She left behind her parents, two brothers and three sisters.

She said that "she hasn't regretted moving to this country...but would like to see her relatives a little more often than 14 years."

The Clee Pond family met Mr. and Mrs. B. W. Pfeffer and Gary Mike of Borger in Amarillo recently for a shopping trip and dinner together. Also joining the group were Mrs. Billy Pfeffer and Hazel Jean Austin.

MRS. ERNEST PARSONS shares favorite family recipes with our readers this week. Those recipes include Lime Jello Salad, Waffle Corn Bread, Every Day Meat Loaf, and Fresh Apple Cake.

## COOK OF THE WEEK
# Shares Favorites

BY LORENA MILLER

Mrs. Ernest Parsons shares family favorites for Lime Jello Salad, Waffle Corn Bread, Every Day Meat Loaf, and Fresh Apple Cake with our readers this week.

Mrs. Parsons, the former Lorena Scott, was raised at Memphis along with her four sisters. Mrs. Chester Souder of Fort Worth, Mrs. Howard West of Dimmitt, Mrs. Pearl Youree and Mrs. Charles Pullen, both of Borger.

The Parsons were married in 1947 at Albuquerque, N.M. He was reared in the Texas Panhandle and had eleven brothers and sisters. These include three sisters in Amarillo, Mrs. Bill Beverly, Mrs. Lowell McCain, JoAnn Parsons and his twin brother, Emett Parsons. Others are Bruce Parsons of Tulia, Mrs. Ross Duff of Happy, Mrs. E. J. Rugis of New Jersey, and Mrs. Harry Jarrett of Pecos.

The couple moved to Amarillo, where they lived for 12 years and later to a small farm seven miles north of Canyon in 1955.

They have two sons, Jerry of Albuquerque, N. M., an employee of Southwestern Bell Telephone, and Larry, who is attending automation school in Dallas. He was recently married to the former Norma Jennings.

Parsons is a clerk with the postal department in Amarillo and Mrs. Parsons is a clerk in the tax office in Canyon.

They are members of the First Baptist Church of Canyon and are also active in the postal auxiliary and clerk's union.

Mrs. Parson said that her husband enjoys bowling and her favorite hobbies are reading, sewing, cooking and cake decorating.

Her favorite recipes include:

LIME JELLO SALAD
1 pkg. lime jello
1 pkg. cream cheese
3/4 pint of hot water
1 cup whipped cream
1 small can crushed pineapple
1 cup coconut
1 cup chopped nuts.

Dissolve jello and cream cheese in hot water and chill. Add remainder of ingredients and chill overnight before serving.

---

WAFFLE CORN BREAD
1 cup cornmeal
1/4 cup flour
1 1/4 tsp. baking powder
3/4 tsp. salt
1 egg
3/4 cup milk
4 Tbsp. oleo or cooking oil

Mix dry ingredients, and egg and milk. Add melted oleo or cooking oil last and pour into pre-heated waffle iron.

---

EVERY DAY MEAT LOAF
1 1/2 lbs. ground beef
3/4 cup quick-cooking raw oats
2 eggs, slightly beaten
1/4 cup chopped onion
2 tsp. salt
1/4 tsp. pepper
1 pint whole tomatoes

Combine first six ingredients throughly with tomatoes. Pack firmly into a 8 x 4 x 3 loaf pan. Chill about one hour.

Unmold into a shallow baking pan. Bake in moderate oven 350 degree for one hour. Pour an additional 1/2 pint of tomatoes over loaf.

Bake 20 minutes more, until loaf is glazed.

---

FRESH APPLE CAKE
2 cups sugar
1 cup butter
4 eggs
1 tsp. soda
1/2 cup water
2 1/2 cups flour
1 tsp. cinnamon
1 tsp. cloves
1 tsp. nutmeg
1 tsp. allspice
1 tsp. vanilla
1 3/4 cups chopped peeled apples

Cream sugar and butter. Add eggs one at a time beating after each addition. Combine flour and spices and sift again. Dissolve soda in water and add alternately with flour mixture.

Bake in tube pan for one hour and twenty minutes at 350 degrees or until the cake bounces back when pressed with fingers. No need to frost.

MRS. J. D. SHAPLEY, standing, was visited last week by her sister, Mrs. Reginald Ellett, and her husband from Holywell, North Wales. The visit marked the first time the sisters have been together in 14 years.

# Tea Reveals Approaching Wedding Date For Couple

Formal announcement of the engagement and approaching marriage of Miss Judy Carol Stevenson to Klaus Martin Hassack was made last Wednesday at a tea given by her mother, Mrs. T. S. Stevenson, Jr., in the home of the bride-elect's grandmother, Mrs. Turner S. Stevenson, Sr.

Marriage vows will be read by Rev. Newton Starnes September 8 at Joseph A. Hill Chapel on the campus of West Texas State University.

The serving table, laid with a linen cutwork cloth, was centered with a bouquet of long stemmed pink roses. Names of the couple and their planned wedding date were revealed on hot pink satin streamers.

Presiding at the serving table were Mrs. Bernard Warren, Mrs. Meredith Warren, Mrs. Autrey Hodges, aunt of the bride-elect, and Mrs. Wayne Thomas of Hereford, cousin of the bride-elect.

Mrs. Don Carl Tardy and Miss Pam Calder presided at the guest register.

Other members of the house-party were Mesdames J. C. Bellah, Art Roberts, M. L. Sherrod, John Bell, J. B. Hickman, Bob Anderson, Robert A. Bellah, Lee Roy Moreland, Jack Swatzell and Carl Wimberly of Amarillo.

STORE HOURS 8:00 AM TO 5:30 PM

GENE AND SIS DEEDS are shown in the golf shop at the Canyon City Club. The Deeds have worked with the club for 13 years and resigned last week to accept a position with a golf club in Farwell.

## Gene Deeds Resigns Golf Club Position

Gene Deeds has resigned as pro-superintendent for the Canyon City Club, a position he has held since May of 1954.

Deeds will move to Farwell as a golf-pro. He will manage the club there and work as a pro while overseeing the course.

Deeds recalled that when he came to Canyon City Club it was a "nine-hole and sand-green, had five cabins and about 80 members."

During Deeds tenure, the club has been increased to 250 members, 24 cabins, two swimming pools, a major clubhouse and grass golfing greens.

Deeds, his wife, Sis, and their three sons, Clint, Lee and Joe, will move to Farwell in early September.

He said the new position will offer more time to work on his golf and he will be able to play in local tournaments there. He will also teach golf lessons.

## Capers Have Guest Night

Guest caller night for the Canyon Capers Square Dance Club was held Monday with tips from Jack Thompson, Lena Gamble and Sue Carey of Tulia, Vince Thomas of Reddy Squares, LeRoy Pitt of Canyon, Cecil Jones of Chiefs and Squaws, and Knox Day, the regular club caller.

Visiting the meeting were guests from Shirts and Skirts, Tulia, Reddy Squares, Chiefs and Squaws, Dallas and Sunday Canyon.

New members joining the group were Kennie and Marion Thompson. The door prize of a grape cluster centerpiece was won by Ethel Freeman.

The club will sponsor square dance classes beginning in September.

## 'TEXAS' Has Peak Crowd

"TEXAS", musical drama in Palo Duro Canyon State Park, had its 100,000 visitor to the production last week.

Mrs. Harold Gattis of Wellington received several gifts at intermission time for being the 100,000 patron at the show.

More than 61,000 visited the show its opening season last year.

The production ends Sept. 4.

## Math Article Is Published

An article by William P. Cooke, associate professor of mathematics at West Texas State University appears in the July issue of "Management Science."

The magazine is a monthly publication of the Institute for Management Sciences, and deals with the mathematics of management decision making.

The article is titled "Least Square Fit of Definite Quadratic Forms Using Convex Programming." It is part of the doctoral dissertation which Cooke has submitted to Texas A&M University, where he has completed course work for the doctorate.

Co-authors of the article are Dr. H. O. Hartley and Dr. R. R. Hocking, both of the Texas A&M University faculty.

Cooke said the article deals with the finding of the right combination of imput variables which may maximize yield, and is applicable to agricultural and chemical management.

Cooke has been a member of the WTSU faculty since 1964. He holds the B.S. from WTSU and the M.S. from Texas Tech.

Mr. and Mrs. Clee Pond and Ivan were vacationing last week in Colorado where they attended the Colorado State Fair at Pueblo.

## Firemen's Auxiliary Has Meet

The auxiliary of the Happy Volunteer Fire Department met recently to formulate plans for a cake and ice cream sale at the Happy Celebration scheduled Satruday.

The ice cream booth will be provided at the ballgame to be played between the Happy Volunteer fireman and the senior citizens.

Present for the business session were Lawana Selvidge, Louise White, Charlotte Weaver, Bettye Wallace, Hope Wilson, Gracie Lee Tirey, Betty Penn and Pat Sims.

## 50 Attend Community Gathering

The Jowell Community reunion was held Sunday at the Jowell Community Center with approximately 50 in attendance for the basket lunch and business session.

Mrs. Earl Davis presided at the business meeting as officers for the year were elected including Alvin Smith, president; Melvin Leavitt, vice president; and Mrs. Edgar Robinson, secretary-treasurer.

Entertainment included hymns led by a Mr. Spencer with Mrs. Mildred Fuel at the piano.

John Kyles of Long Beach, California attended from the fartherest distance. Recognized as the oldest present was Mrs. J. J. Leavitt of the Jowell Community; the youngest was Erick Buecker of the Jowell Community.

Virgil Dodson played tapes made at the 1964 reunion and Albie Smith showed slides from previous reunions.

Mrs. Earl Davis has written a "History of the Jowell Community". For information about the book contact Mrs. Davis at OL5-2397.

## Harguess Ordained

Leonard E. Harguess was ordained to the ministry in formal services recently at the Capital Baptist Church in Salem, Oregon.

A former resident of Canyon Harguess graduated from West Texas State University in 1967. He will be going to Detroit, Michigan, where he will assume responsibility as the English pastor in a bilingual ministry in the Slavic Chapel, a Polis Southern Baptist Church.

Harguess will work with Rev. John Pancewicz, Polish pastor of the chapel.

Harguess is the son of Mr. and Mrs. O. L. Harguess, formerly of Canyon, who now live in Salem, Oregon. He is a former member of the First Baptist Church and Calvary Baptist Church of Canyon. He was licensed to preach by the Calvary Baptist Church.

## Reunion Held For Furlows

The annual Furlow family reunion was held Sunday at McKenzie Park in Lubbock with 53 present for the occasion which included a basket lunch.

Attending from Canyon were Mr. and Mrs. Charles Bewley, Mr. and Mrs. R. T. Furlow and Mrs. Donnie Collins.

Others present were Mr. and Mrs. S. E. Furlow, Lamont, Curtis, Darryl and Shelley of Odessa; Mr. and Mrs. W. W. Tillery and Mr. and Mrs. David H. Baines of Lubbock; Mr. and Mrs. H. G. Whitchurch and Pamela of Crosbyton; Mrs. Clarence Hughes, David and Stanley of Jasper; Mr. and Mrs. Jack Tillinghast, Monte and Lonnie of Lubbock.

Mr. and Mrs. Oscar Furlow, A. B. and Robby Furlow, and Mr. and Mrs. Bobby Joe Furlow and Cody of O'Donnell; Mrs. B. F. Humphries and Shawn of Graford; Mr. and Mrs. Terry Petty, Mike, Shannon, Eric and Bruce of Stavanger, Norway; Mr. and Mrs. Johnny Kniffen, Barry and Kelly of Amarillo; Mrs. T. S. Furlow of Tulia; Dan B. Hodges, June Rogers and Mr. and Mrs. A. H. Furlow of Lamesa.

Recent visitors in the Clee Pond home have been Mr. and Mrs. G. W. Warren and Mr. and Mrs. C. G. Pond, Jr., and Pat, all of Amarillo.

### Proposed CONSTITUTIONAL AMENDMENT

NUMBER TWO ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be amended by adding a new Section 13 thereto to read as follows:

"Section 13. Notwithstanding any other section of this article, the Legislature in providing for the creation, establishment, maintenance, and operation of a hospital district, shall not be required to provide that such district shall assume full responsibility for the establishment, maintenance, support, or operation of mental health services or mental retardation services including the operation of any community mental health centers, community mental retardation centers or community mental health and mental retardation centers which may exist or be thereafter established within the boundaries of such district, nor shall the Legislature be required to provide that such district shall assume full responsibility of public health department units and clinics and related public health activities or services, and the Legislature shall not be required to restrict the power of any municipality or political subdivision to levy taxes or issue bonds or other obligations or to expend public moneys for the establishment, maintenance, support, or operation of mental health services, mental retardation services, public health units or clinics or related public health activities or services or the operation of such community mental health or mental retardation centers within the boundaries of the hospital districts; and unless a statute creating a hospital district shall expressly prohibit participation by any entity other than the hospital district in the establishment, maintenance, or support of mental health services, mental retardation services, public health units or clinics or related public health activities within or partly within the boundaries of any hospital district, any municipality or any other political subdivision or state-supported entity within the hospital district may participate in the establishment, maintenance, and support of mental health services, mental retardation services, public health units and clinics and related public health activities and may levy taxes, issue bonds or other obligations, and expend public moneys for such purposes as provided by law."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

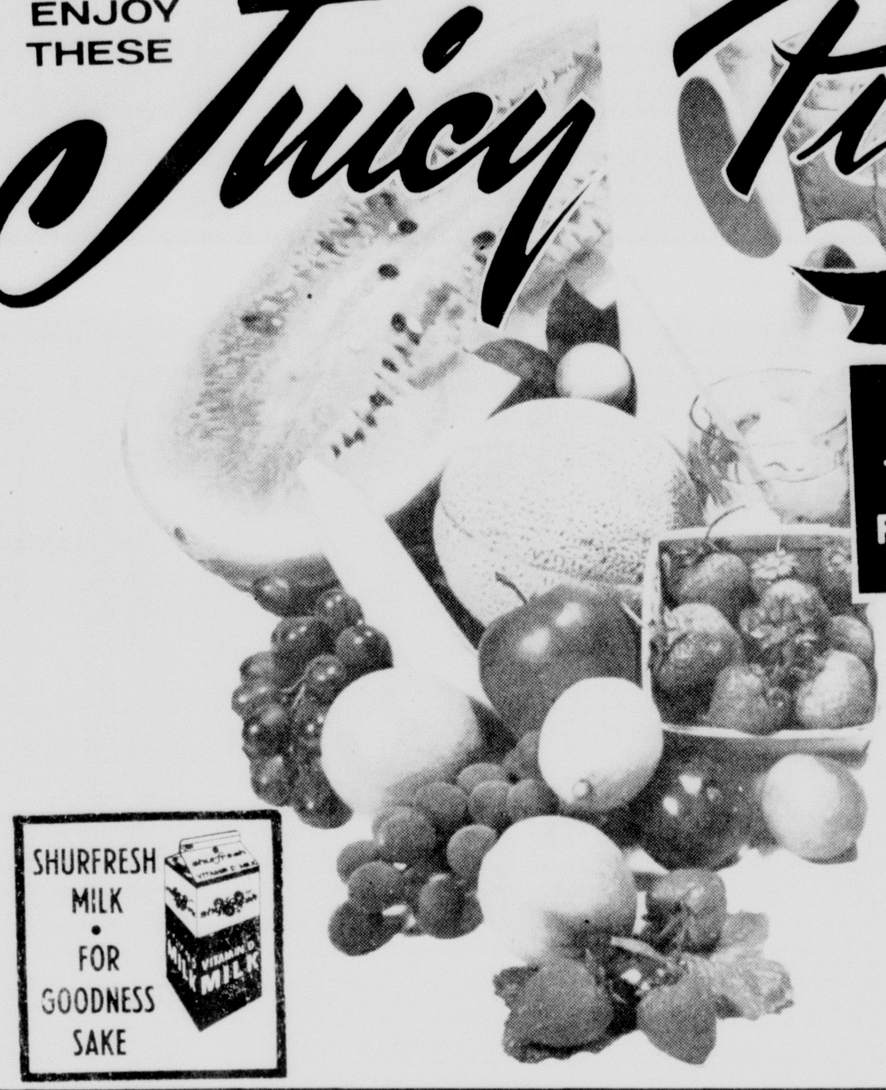

**"FOR** the constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services."

**"AGAINST** the constitutional amendment to permit municipalities, other political subdivisions, and state-supported entities located within hospital districts to participate in the establishment, maintenance, support, or operation of mental health services, mental retardation services, or public health services."

## Canyon Girl Seeks 'Miss Astro' Title

Linda Clark will leave today, Thursday, for Houston as a contestant in the "Miss Astro" contest.

Miss Clark, daughter of Mr. and Mrs. Wendell Cain of Canyon, will represent KVII radio in Amarillo. She recently won the area contest which provided an expense-paid trip to Houston, gift certificates and other prizes.

A 1966 graduate of Canyon High School, Miss Clark will be accompanied to the Houston contest by Mary Lou Martin of Amarillo, a charm consultant.

At the Houston contest, the winner will receive a four year scholarship, a $1,000 wardrobe and various other prizes. Miss Clark will be in competition with about 40 entries from throughout the state.

Miss Clark is a sophomore physical education major at West Texas State University, where she is a member of Delta Zeta social sorority.

During her high school career here, Miss Clark was named 1965 football queen, a member of the basketball and volleyball teams and was named second-team All-District forward.

She was a class officer during her junior and senior years, a member of the Future Teachers Association, the Foreign Language Club and the Business Leaders of America.

## Sorority Has Salads

Xi Kappa Zeta chapter of Beta Sigma Phi sorority held a summer salad supper Monday evening for members and families at the home of Dr. Leta Boswell.

The group made plans for a season opening tea to be held Sunday from 2-4 p.m., according to Miss Virginia Rossiter, president.

Present for the occasion were Mr. and Mrs. Jim Irwin and Lou Ann, Mr. and Mrs. Herbert Kuhlman, Mr. and Mrs. Curt Kite, Miss Virginia Rossiter, Mr. and Mrs. Robert Brotherton and Linda and Dr. Leta Boswell.

## Salaries Discussed

Average beginning annual salary for 41 graduating business administration and accounting seniors of the West Texas State University School of Business was $7,960.68, according to Dean C. C. Callarman.

Among business education majors, average nine-month salary for beginning teachers was $5,647.50, and among non-teachers the annual salary was $6,600, he said.

With 34 degrees candidates listed for graduation in August, the total graduating class for the School of Business in 1967 will be 156, Dr. Callarman said. Of the 122 who were graduated in May, 56 have accepted jobs, ten will enter military service, 13 will enter graduate school, and 22 were undecided in employment choices.

"Many business and accounting seniors were flown for job interviews to such places as Rochester, N.Y., Detroit, Chicago, Atlanta, Kansas City, St. Louis, Denver, San Francisco, Los Angeles, and Houston," Dr. Callarman said.

Mrs. Neil Bounds of Alvarado is visiting this week with her sister, Mrs. Ray McReynolds.

### Proposed CONSTITUTIONAL AMENDMENT

### NUMBER SIX ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 33, Article XVI, Constitution of the State of Texas, be amended to read as follows:

"Section 33. The Accounting Officers of this State shall neither draw nor pay a warrant upon the Treasury in favor of any person for salary or compensation as agent, officer or appointee, who holds at the same time any other office or position of honor, trust, or profit, under this State, except as prescribed in this Constitution. Provided, that this restriction as to the drawing and paying of warrants upon the Treasury shall not apply to officers of the National Guard or Air National Guard of Texas, the National Guard Reserve, the Air National Guard Reserve, the Air Force Reserve, the Officers Reserve Corps of the United States, nor to enlisted men of the National Guard, the Air National Guard, the National Guard Reserve, the Air National Guard Reserve, the Air Force Reserve, and the Organized Reserve of the United States, nor to retired officers of the United States Army, Air Force, Navy, and Marine Corps, and retired warrant officers and retired enlisted men of the United States Army, Air Force, Navy, and Marine Corps. It is further provided, until September 1, 1969, and thereafter only if authorized by the Legislature by general law under such restrictions and limitations as the Legislature may prescribe, that a non-elective State officer or employee may hold other non-elective offices or positions of honor, trust, or profit under this State or the United States, if the other offices or positions are of benefit to the State of Texas or are required by State or federal law, and there is no conflict with the original office or position for which he receives salary or compensation. No member of the Legislature of this State may hold any other office or position of profit under this state, or the United States."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment allowing non-elective state officers and employees to serve in other non-elective offices or positions under this state or the United States until September 1, 1969, and thereafter only if authorized by the Legislature, if the offices or positions are of benefit to Texas or are required by state or federal law, and there is no conflict of interest with the original office or position; prohibiting elected officers under this state or the United States from holding any other office or position under this state; and adding members of the Air National Guard, Air National Guard Reserve, Air Force Reserve, and retired members of the Air Force to the list of persons exempted."

"AGAINST the constitutional amendment allowing non-elective state officers and employees to serve in other non-elective offices or positions under this state or the United States until September 1, 1969, and thereafter only if authorized by the Legislature, if the offices or positions are of benefit to Texas or are required by state or federal law, and there is no conflict of interest with the original office or position; prohibiting elected officers under this state or the United States from holding any other office or position under this state; and adding members of the Air National Guard, Air National Guard Reserve, Air Force Reserve, and retired members of the Air Force to the list of persons exempted."

### Proposed CONSTITUTIONAL AMENDMENT

### NUMBER THREE ON THE BALLOT

HOUSE JOINT RESOLUTION No. 17 proposing an amendment to Section 49-b, Article III of the Constitution of Texas, so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars ($400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars ($400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars ($200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund thereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds hereafter issued or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and who, upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces abovenamed and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas, or who has resided in Texas at least five (5) years prior to the date of filing his or her application. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All of the moneys attributable to any series of bonds hereafter issued and sold by said Board (a 'series of bonds' being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed thereon the following:

"FOR the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional $200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

"AGAINST the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional $200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

### Proposed CONSTITUTIONAL AMENDMENT

### NUMBER FIVE ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of Texas be amended by adding a new section thereto to be known as Section 49-e, as follows:

"Section 49-e. The Parks and Wildlife Department, or its successor vested with the powers, duties, and authority which deals with the operation, maintenance, and improvement of State Parks, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Seventy-Five Million Dollars ($75,000,000). The bonds authorized herein shall be called "Texas Park Development Bonds," shall be executed in such form, denominations, and upon such terms as may be prescribed by law, provided, however, that the bonds shall bear a rate or rates of interest as may be fixed by the Parks and Wildlife Department or its successor, but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds, shall not exceed four and one-half percent (4½%) interest per annum; they may be issued in such installments as said Parks and Wildlife Department, or its said successor, finds feasible and practical in accomplishing the purpose set forth herein.

"All moneys received from the sale of said bonds shall be deposited in a fund hereby created with the State Treasurer to be known as the Texas Park Development Fund to be administered (without further appropriation) by the said Parks and Wildlife Department, or its said successor, in such manner as prescribed by law.

"Such fund shall be used by said Parks and Wildlife Department, or its said successor, under such provisions as the Legislature may prescribe by general law, for the purposes of acquiring lands from the United States, or any governmental agency thereof, from any governmental agency of the State of Texas, or from any person, firm, or corporation, for State Park Sites and for developing said sites as State Parks.

"While any of the bonds authorized by this provision, or any interest on any such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the interest and sinking fund at the close of the prior fiscal year, which includes any receipts derived during the prior fiscal year by said Parks and Wildlife Department, or its said successor, from admission charges to State Parks, as the Legislature may prescribe by general law.

"The Legislature may provide for the investment of moneys available in the Texas Park Development Fund and the interest and sinking fund established for the payment of bonds issued by said Parks and Wildlife Department, or its said successor. Income from such investment shall be used for the purposes prescribed by the Legislature.

"From the moneys received by said Parks and Wildlife Department, or its said successor, from the sale of the bonds issued hereunder, there shall be deposited in the interest and sinking fund for the bonds authorized by this section sufficient moneys to pay the interest to become due during the State fiscal year in which the bonds were issued. After all bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys received from admission charges to State Parks shall be deposited to the State Parks Fund, or any successor fund which may be established by the Legislature as a depository for Park revenue earned by said Parks and Wildlife Department, or its said successor.

"All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory nature."

Sec. 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on November 11, 1967, at which election each ballot shall have printed thereon, the folowing words:

"FOR the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars ($75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."

"AGAINST the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars ($75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."

Proposed **CONSTITUTIONAL AMENDMENT**

NUMBER ONE ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 9, Article VIII, Constitution of the State of Texas, be amended to read as follows:

"Section 9. The State tax on property, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty-five Cents (35¢) on the One Hundred Dollars ($100) valuation; and no county, city or town shall levy a tax rate in excess of Eighty Cents (80¢) on the One Hundred Dollars ($100) valuation in any one (1) year for general fund, permanent improvement fund, road and bridge fund and jury fund purposes; provided further that at the time the Commissioners Court meets to levy the annual tax rate for each county it shall levy whatever tax rate may be needed for the four (4) constitutional purposes; namely, general fund, permanent improvement fund, road and bridge fund and jury fund so long as the Court does not impair any outstanding bonds or other obligations and so long as the total of the foregoing tax levies does not exceed Eighty Cents (80¢) on the One Hundred Dollars ($100) valuation in any one (1) year. Once the Court has levied the annual tax rate, the same shall remain in force and effect during that taxable year; and the Legislature may also authorize an additional annual ad valorem tax to be levied and collected for the further maintenance of the public roads; provided, that a majority of the qualified property taxpaying voters of the county voting at an election to be held for that purpose shall vote such tax, not to exceed Fifteen Cents (15¢) on the One Hundred Dollars ($100) valuation of the property subject to taxation in such county. Any county may put all tax money collected by the county into one general fund, without regard to the purpose or source of each tax. And the Legislature may pass local laws for the maintenance of the public roads and highways, without the local notice required for special or local laws. This Section shall not be construed as a limitation of powers delegated to counties, cities or towns by any other Section or Sections of this Constitution."

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 11, 1967, at which election all ballots shall have printed on them the following:

"FOR the constitutional amendment allowing counties to put all county taxes into one general fund."

"AGAINST the constitutional amendment allowing counties to put all county taxes into one general fund."

## Park Road Construction Is Underway

The Texas Highway Department announced a new highway construction project on Park Road 5 in Palo Duro State Park.

The construction will consist of structures, grading, base and surface treatment.

The Texas Highway Department and the contractor Gilvin-Terril Inc. of Amarillo, stated that construction will begin on August 24 and will be completed by November 15, 1967.

William V. York, Supv. Resident Engineer of the Texas Highway Department in the Canyon area explained that traffic will not be routed through the project.

York pointed out that barricades and warning signs will be prominently displayed, but motorists should exercise extreme caution in this area. Cooperation of the public is urged.

MRS. W. L. SMITH, head of the film division at West Texas State University, is shown here working with equipment at the department's office in the WT Library Building. Mrs. Smith is retiring this summer after about 20 years of service at the university which began with a "closet" storeroom and advanced to present facilities.

## Film Department Director Recalls 'Closet' Beginning

BY LORENA MILLER

The founder of the film department at West Texas State University, Mrs. W. L. Smith is retiring this summer after twenty-two years of service.

Mrs. Smith serves as director of the film division, which is presently located in the WTSU Library.

"But we started out in a closet under the Bureau of Public Service," said Mrs. Smith. "We had one closet for storage of our equipment which consisted of a 16 milimeter projector, a filmstrip projector, various war films and about 50 16 mm. teaching films."

"The films were shown in the auditorium of the Education Building in the beginning," Mrs. Smith said, explaining that the equipment was set up for the class period and then taken down and stored again.

Mrs. Smith joined the university staff as the first person to be employed by the school for audio visual aids. She came to the school in the spring of 1945.

"Dr. J. A. Hill (who was president of the university then) felt that audio-visual aids had been used to great advantage during the war...and there was a need for such a service to be offered in aid of teachers at the school," recalled Mrs. Smith.

"Mrs. T. V. Reeves, who was then director of the Bureau of Public Service at the college, came and asked if I would come to the university for this purpose," said Mrs. Smith.

"The teachers were already trying their own forms of visual aids," declared Mrs. Smith. "They used pictures, bulletins, chalk boards, slides and some even had their own silent movie machines to aid learning in their classes."

"Our first films were government films on different countries that were our allies. We showed them in hopes of speeding up the war efforts," Mrs. Smith said.

"The second year that we had the audio visual aids department at the university we were expanded because the teachers found that they liked to have us giving them aid with their classroom studies."

"Our second year we were moved into one room of the basement of the Education Building, where we painted the windows black and set up our equipment," said Mrs. Smith.

"It was a little crude, but it was a place of our own," Mrs. Smith recalled. The next year another room was added to the department's facilities along with a new projector for films and slides.

"Then when the Library Building at the university was in the planning stages, Dr. Hill said for us to draw up plans for the basement to use it as our headquarters for film services," said Mrs. Smith.

"We moved to our new home in 1950-51," Mrs. Smith said. The new space allowed for three film rooms, permanent screens and cabinets for storage of equipment. The film department currently owns 350 films, rents and borrows an additional 1,000 films each year, along with slides and a large variety of projectors, readers, record players and tape recorders.

"We do much more than just run movies," said Mrs. Smith.

"Our whole objective is to be of service to each and every professor on the campus and to the best of my knowledge we have assisted with services for every department here at the school."

"It is gratifying to see the willingness of professors and teachers to try something new in their classrooms," said Mrs. Smith, adding that "you'd be surprised at the number of 'old fogey' professors who are the first to try out the new methods of teaching."

"Of course, the new teachers are delighted to have the services that they find here too," added Mrs. Smith.

"My secretary-film assistant, Mary Whitten, has been with the department about 15 years," said Mrs. Smith. "She came to me as a high school girl and has stayed on to excell in her position."

"When school funds were tight, we have always had university presidents who would listen to our requests and try to help," said Mrs. Smith concluding that the university has grown 'topsy-turvy' in relation to other school facilities and the film department has kept astride of this growth.

# Four WT Specialized Courses To Be Given

Four specialized courses will be offered through the evening class program by the School of Business at West Texas State University during the fall semester, which opens Sept. 18, according to Dean C. C. Callarman.

Registration for evening only classes will be held Saturday, Sept. 16, on the WTSU campus.

Three of the classes will be offered on Tuesdays, and are "C.P.A. Review, Part 1," "Secretarial Law," and "Real Estate Law." The fourth course, "Real Estate Appraisals, Residential," will be offered Wednesday evenings.

The C.P.A. class is designed to assist students in preparation for the theory and practice sections of the C.P.A. examination. Assignments will will be made from former C. P.A. tests.

Dee Miller, Amarillo, attorney will teach "Secretarial Law," a senior level course. Civil and criminal court procedures, preparation of legal instruments, and a wide variety of court and law functions will be covered.

"Real Estate Law," another senior level course, will be taught by A. W. Lair, former Randall County District Attorney who has joined the WTSU School of Business staff. Among information to be covered are contracts, statutory liens, eminent domain, rights in real estate, governmental regulations, deeds of trust, titles, and lending agencies.

H. R. Robbins, Jr., will teach "Real Estate Appraisals, Residential," which will be approved by the International Society of Real Estate Appraisers. Included will be the appraisal process, economic trends, neighborhood analysis, building cost estimates, depreciation, interest rates, and market data.

## WT Workshop Is Scheduled

A graduate level workshop course, "Child Guidance for the Classroom Teacher," will be offered by the School of Teacher Education of West Texas State University this fall in the new Killgore Children's Psychiatric Center.

Class enrollment will be limited to ten teachers, according to Dr. Ruth Lowes, head of the education and psychology department. The course will be taught by Miss Jewell Jergens, psychiatric social work at the center in Amarillo.

Purpose of the workshop, which will be held each Wednesday from 4 until 6:30 p.m., is to assist the classroom teacher to recognize behavior problems and emotional disturbances in children, Dr. Lowes said.

Through the class, Dr. Lowes said, it is hoped to exand the understanding of normal behavior, to provide deeper understanding of emotional needs of children, and to understand more about learning disability and speech problems. An understanding of some of the influences of maladjustment in children will also be sought.

Registration for the class will be held during enrollment times for evening only classes, Sept. 16 in the Student Union Building at WTSU.

MISS HAPPY crowns are worn by Jan Whitlow, 9, and Sharon Curry, 18, who were selected Saturday night to reign over the 60th birthday celebration for Happy this week end.

# Happy Observes 60th Birthday

The first city celebration to be held in Happy for the past 17 years is planned for Saturday by the Happy Jaycees and other civic clubs.

The birthday celebration will commemorate Happy's 60th year.

Reigning as queens of the celebration will be Sharon Curry, 18, and Jan Whitlow, 9, who were crowned as "Miss Happy" and "Little Miss Happy" respectively in a beauty contest last Saturday night in the Happy High School auditorium. The two queens will ride in the parade at 10 o'clock Saturday morning.

Runnersup in the beauty pageant were Kathy Whitman, 17, and Donna Magness, 14, for the senior title; and Laura Fellers, 6, and Shannon Wilhelm, 8, in the junior division. Carrell Killingsworth served as master of ceremonies for the pageant which was sponosred by the Happy Jaycee-Ettes.

Happy's birthday celebration will begin Saturday morning with bicycle races at 9 o'clock. The race will have age divisions for 6-12 and 13-up. The course will be eight miles and only single speed bicycles may be used. Trophies will be awarded in both classes.

The parade is set at 10 a.m. Saturday with floats and riding clubs to be featured. Sheriff Bill of KGNC television in Amarillo will ride in the parade. Cash prizes will be awarded for the top three floats and trophies will be given for the best decorated bicycle.

Additional highlight for the parade will be an exhibition by the Amarillo Sky Diving team. Jumps will be from an altitude of 12,000 feet from a plane being furnished by the McNeil Flying Service.

Old-timers of Happy and surrounding area will be served a free barbecue lunch at 11:30 a.m. by the Rainbow Girls of Happy. The barbecue is prepared by the Happy Jaycees and will be served to the public in the park at $1 per plate.

Also planned at the park is a horseshoe pitching contest with categories for single and teams of two. Entries may be made until noon Saturday with David Penn of the Happy Jaycees.

A carnival will be staged in downtown Happy beginning at 1 o'clock. According to Bill Tirey, chairman, the carnival will feature bingo, kiddy rides, concessions and games of all types.

The Happy Volunteer Fire Department will sponsor a water polo game and pumper races with high pressure water hoses and other fire fighting equipment at 2 p.m.

Also beginning at 2 p.m. will be airplane rides with the fare set at 2 cents per pound on each passenger. The ride will feature a 20 minute cruise with planes being furnished by Flying Inc. of Amarillo.

At 4:30, the Jaycees will host a Pony Express race, to be held 1/2 mile south of Happy with riding clubs from area towns entered in the event.

At 5:00 p.m., the Happy Volunteer Fire Department will play a baseball "grudge" game with the Petioneers of Happy. Admission at the ballpark will be free and refreshments will be sold by the auxiliary of the fire department.

An afternoon street dance is set at 7 p.m. with the Happy Penetrators playing and at 9 p.m. a western dance is set at the American Legion Hall with Tiny Lynn and band of Clovis, New Mexico furnishing the music.

The roundup will conclude Sunday with a steer roping at the Tom Henry arena, near Happy.

# Dr. Jack K. Williams Convocation Speaker

Dr. Jack K. Williams, commissioner, Coordinating Board, Texas College and University System, will address the 320 candidates for degrees at West Texas State University's summer convocation Thursday.

The ceremonies, scheduled at 8 p.m. in the Fieldhouse, will open with an invocation by the Rev. Marcus Adair, minister of the Faith Chapel. President James P. Cornette will confer degrees, and Major Charles Brown will confer commissions upon 14 men in the Army Reserve.

Dr. Williams has served as commissioner of Texas higher education since 1966, and was formerly vice president for academic affairs and dean of the South Carolina land grant univeristy. He was formerly dean of Clemson University. He spoke last year at a regional development observance at WTSU.

President and Mrs. Cornette honored graduating students at a reception Tuesday night at the Student Union Building. Receiving were Dr. and Mrs. Cornette, Dr. and Mrs. Walter H. Juniper, and Dr. and Mrs. J. B. Roberts.

Introducing guests was Dr. Zell SoRelle, and pianist was Mary Ann Wheelock of Canyon.

In the house party were Dr. and Mrs. C. C. Callarman, Dr. and Mrs. Robert Busteed, Dr. and Mrs. Emmitt Smith, Dr. and Mrs. Paige Carruth, Dr. and Mrs. Lowell Harrison, Mr. and Mrs. Frank Morgan, Mr. and Mrs. Virgil Henson, Miss Rugh Cross, Mr. and Mrs. Joe Hooper, F. M. Blackburn, Mr. and Mrs. Milton Morris, and Mr. and Mrs. Jack Edmondson.
